MP5K » MP5K Rail System - MP5K System Szynowy

Producent : -

Description:

The new 'MP5K' Rail System replaces the original handguard and provides a superior mounting option for your laser pointers, grips, bipods, tactical light or any other accessory based on the Picatinny rail.

Advantages:

- ☐ Easy to Mount on Your MP5K, Requires No Gunsmith
- ☐ Special Design One Solid Piece with Only One Bolt to Lock
- ☐ Made from 6061 T6 Aircraft Aluminum
- ☐ All Rails Meet 1913 Mil Spec Standard
- ☐ Hard Coat Anodized
- ☐ Lightweight and Extremely Durable
- ☐ Does not Overlap the Original Size of the Handguard
- ☐ Gun Handling Remains Unaltered
- ☐ Sturdy-Will Not Budge or Vibrate on Your Weapon Under Any Conditions
